### Disc/Culti-Packer Combo

- Combined deep cutting ability of the 8-blade Tillage Disc with the soil preparation and compaction action of the culti-packer
- 16" tillage discs adjusts 0° through 20°
- Heavy-duty steel frame, ratchet action handle, front-mounted winch

### 5-Bushel Pull-Behind Spreader

- All-steel gear drive complete with grease fittings
- Distribution up to 20' wide
- Will haul approximately 300 lbs.
- Will cover approximately 65,000 sq. ft.
- Distribution reduces over or under-fertilizing

### 12' x 82" Utility Trailer

- Front-mounted jack with safety chains
- Front-mounted 1.9k winch with 2" x 15' strap
- 2 trailer ball hookups for secure attachment of spreader and combo
- Heavy-duty 50" loading ramp for easy loading
- 15" 4-ply tires and wheels, treated wood floor

### 4' x 4' Chain Harrow

- Ideal for smoothing yards or garden soil and dragging driveways, riding tracks or arena footing
- Allows dozens of metal teeth to set up when pulled to grab the soil or grade surface
- ½" Rod Size, 95 lbs. weight
